

REMARKS

Claims 1-21 are pending and under consideration in the present application.

The outstanding Office Action required restriction of the claimed invention to either:-

I) Claims 1-12, directed to a power supply; or

II) Claims 13-21, directed to a method of making the power supply.

Claims 13-21 (Invention II) are elected without traverse.

Consequently, the present application is in condition for substantive examination, and an early and favourable Office Action is respectfully requested.

Respectfully Submitted,
